

CERTIFICATION

TO WHOM IT MAY CONCERN:

This is to certify that Philippine International Convention Center (PICC) as per purchase request of TSD - Mechanical Services Division procured from **Grains Per Pound Enterprises, Inc.** the following automatic condenser tube cleaners (ACTC) and scale removing systems (SRS) for cooling towers which were installed and commissioned very satisfactorily as follows:

CQM – ACTC/SRS	QUANTITY	DATE COMPLETED/ACCEPTED
ACTC – 500 TONS/Unit	2 UNITS	September 7, 2004
ACTC – 500 TONS/Unit	2 UNITS	February 20, 2006
ACTC – 500 TONS/Unit	2 UNITS	September 11, 2007
SRS – 2000 TONS/Unit	2 SETS	September 11, 2007
ACTC – 500 TONS/Unit	2 UNITS	February 2, 2009

This is to certify further that the performance of ACTCs and SRS as observed in six-month period after installation had been very impressive. The condenser tubes of each chiller unit were very clean – no scale. For SRS, the cooling towers were clean, free of hard scales and algae and the re-circulating water has been very clear.

This certification is being issued to Grains Per Pound Enterprises, Inc. for whatever purpose it may serve the company.
